

Group Announcement: Get Involved

Do you have ideas on how to make the Gorging on Recovery
CampVention better?

Would you like to see more of something and less of something
else? Make Your Voice Heard!

Sure, the Gorging on Recovery CampVention is looking for
Chairpersons and Volunteers for Executive- and Sub-Committees.
But, we are also looking for people just to come to our meetings
and brainstorm. Invest as much or little time as you like.

This year's committee is dedicated to working together to make
your service experience as rewarding and stress-free as possible.

We are committed to listening to everyone who attends our
meetings and letting you help shape what Gorging on Recovery
will be this year.

Show up, pipe up and leave your mark!

We meet every month, following the Area Meeting, at 1:30pm at
791 Concession Rd., Cambridge in the Preston Mennonite Church.

Also, mark the event date August 20-22, 2010 on your Calendar
and watch for Registrations coming soon.
