Total Expenses: _____ (Add Lines B, C, & D)

Closing Balance: _____ (A Subtract Total Expenses)

Groups are encouraged to seek their own solutions to the challenges they face, but sometimes a group encounters a problem that is beyond any of its members' experience. When this occurs, GSR's can share their concern with the area committee in this report, facilitating discussion and hopefully providing some wisdom and experience to bring back to their group. This report is also a forum to let other groups and the area know what has been happening at your group. How many newcomers? How are you carrying the message? Are you getting good support? Have you tried a new meeting format? What's new? How can we help, or serve you better? The topics are endless.
